Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant phoned regarding the rejection in light of both Pitris and Aldefeld, stating a case against the inclusion of Aldefeld. Examiner agrees that Aldefeld teaches away from x-ray as anything but a "stand-by" method. Applicant's case against the Aldefeld et al reference can be filed with a request for reconsideration which Examiner will give full consideration. Briefly a possible amendment was discussed with referee to the inclusion of multiple dependent claims, but no specific wording was brought up.
